

## Tuition Fees for the 2010/11 Academic Year

Tuition fees include all expenses related to learning activities, including access to relevant technology, multimedia learning tools, conferences, access to physical and digital library resources and access to the various IE Centers of Excellence. Fees do not cover any travel or living expenses, however include a contribution to the IE Foundation.

The IE Foundation is a not-for-profit organization which supports students during and after the program. Funds received by the IE Foundation support various scholarships, printed materials, IE Student Office, life-long Careers Management Center Services and membership to the IE Alumni Association.
